Dear Special Agent Morin:

Pursuant to the Search Warrant issued in the above-referenced matter, we have conducted a diligent search for documents and information accessible on Google's systems that are responsive to your request. Our response is made in accordance with state and federal law, including the Electronic Communications Privacy Act. See 18 U.S.C. § 2701 et seq.

Accompanying this letter is responsive information to the extent reasonably accessible from our system associated with the Google account(s), *MIKE.CLEMENCE@GMAIL.COM*, as specified in the Search Warrant. We have also included a signed Certificate of Authenticity which includes a list of hash values that correspond to each file contained in the production. Google may not retain a copy of this production but does endeavor to keep a list of the files and their respective hash values. To the extent any document provided herein contains information exceeding the scope of your request, protected from disclosure or otherwise not subject to production, if at all, we have redacted such information or removed such data fields.

To the extent that you have requested data related to the Google Chat service, and the target account participated in a Chat Room owned and controlled by a Google Workspace customer, included in the production is information sufficient to identify (a) the Workspace customer domain that owns and controls the Chat Room and records associated with the same; (b) the Workspace-owned Chat Room in which the target account participated; and (c) the date the target account joined the Workspace-owned Chat Room.<sup>1</sup>

<sup>1</sup> See the UserInfo.zip file, where [obfuscated\_customer\_id] indicates if a Chat Room is owned and controlled by a Workspace customer, and the domain of the [inviter\_user] identifies the Workspace customer. If you wish to obtain Chat records associated with the target account that are owned and controlled by the Workspace customer, please use the information provided in this production to either request that information directly from the Workspace customer, see *Seeking Enterprise Customer Data Held by Cloud Service Providers*, U.S. Dep't of Justice (Dec. 2017), <https://www.justice.gov/criminal-ccips/file/1017511/download>, or to obtain appropriate legal process that identifies the Workspace-owned Chat Room and the Workspace customer domain for those records.

We will review your request promptly upon receiving additional information from you and provide you with any responsive information. Please note that Google does not store unmasked billing records for Google accounts without Google Pay profiles.

For a Google Custodian of Records, we will require a subpoena and confirmation from you of the time and date of the appearance, the scope of testimony, any Google Reference Number(s) associated with the case, and the travel for the appearance at least one week in advance in order to identify, make the appropriate plans for, and prepare a custodian for trial
